

club fundraising

your club can make a difference for omm

As a nonprofit organization, OMM relies entirely on charitable donations. And, as an OMM member, you are one of the best possible people to talk about the importance of OMM's work.

You're not only raising money for a good cause; you're also spreading awareness and encouraging more people to join our movement for mental wellbeing. Use the club [fundraising kit](#) to get started!

P.S. You can adjust the materials in the fundraising kit however you like. Writing in your voice is always best.

we're here to help

Our team is excited to support with whatever you need. Reach out to anyone at OMM, or email us at info@ourmindsmatter.org, for advice, fundraising resources, or questions.
